

ANOTHER BETHLEHEM OUTREACH OPPORTUNITY

to help support Peace Neighborhood Center

Once a month, beginning in March, we will be cooking and serving for the after-school program that Peace Neighborhood Center offers to elementary school children who participate in their program. We will be doing this outreach on the fourth Tuesday of each month, from 2:30-5:00 pm, at Peace Neighborhood Center located on North Maple Road. All the food is provided; we just have to prepare and serve it to the children. This program runs for just the school year—September through May.

A sign-up sheet will be posted on the bulletin board outside the church office. Three volunteers, in addition to our coordinator for this outreach project (Sue Muir) will be needed each month. We'll begin with March through May this year and start back up in September again.

If you have any questions, please contact Sue Muir at 734-761-9795 or suemuir@comcast.net.

Please consider volunteering 2.5 hours in one of the months coming up to help an agency that serves so many folks in our community.
